

Opting to repaint your Embraer Legacy is straightforward when you select high quality aircraft painting by our in-house specialists – now including your Embraer Legacy 500.

Your priorities are our priorities at our Embraer Authorized Service Center in Munich-Oberpfaffenhofen. We specialize in aircraft painting as part of our one-stop shop approach to service.

Superior craftsmanship

We have a passion for painting aircraft exteriors and creating new liveries. Proving handcrafted accuracy, we focus on highest quality finishes and state-of-the-art techniques to deliver the visual image you choose.

Your trusted Embraer Legacy partner in Central Europe

Actively protecting the value of your Embraer aircraft investment with quality, value-adding, and reliable aircraft services like aircraft painting is how we support your interests. Our specialists in Munich-Oberpfaffenhofen have been proving Embraer Authorized Service Center status since 2013. This means our highly trained specialists know your aircraft, inside and out.

Your schedule, our one-stop shop solutions

Optimize your Embraer aircraft's downtime at our one-stop shop and save on time and costs. Numerous Embraer MRO projects prove our specialist solutions contribute to your operational success. Our portfolio of services includes heavy maintenance, engineering modifications, avionics and system upgrades, line maintenance, AOG, field services, and pre-purchase inspections.

Opt to repaint the exterior of your Embraer aircraft with confidence. Contact us today.
