

## Collins WXR-270 and King KWX56 weather radar systems – order replacement parts for your Dornier 228

**The weather radar systems on your Dornier 228 offer reliable mission guidance. Ensure the continued accuracy of your trusted instrumentation with OEM replacement parts.**

Your Dornier 228 is your reliable and versatile partner for all your mission needs. We also know that spare parts for older weather radar systems are becoming increasingly hard to find. That's why RUAG is making our stock of OEM replacement parts\* available to the Dornier 228 Community at special prices. Order now, to make sure you have what you need to continue flying successful missions.

\*Orders are subject to availability. Delivery is defined as "as is, where is".

**IN STOCK**
