

Your aircraft parking space is reserved

Parking spaces have been added at RUAG Munich-Oberpfaffenhofen

Your priorities are our priorities. It's that simple.

Flexibility to meet your needs as they evolve

Feel free to think of our home base as your hub for reliable operations. Flying in and out of our business jets facilities at Munich-Oberpfaffenhofen lets you remain responsive to your customers' needs. Our certified technicians are standing by to ensure airworthiness when you need it.

We know your aircraft, inside and out

We remain your trusted partner in these challenging times. Our one-stop shop aircraft support specialists are at your service.

- Embraer Authorized Service Center
 - Embraer Legacy 600/650/500
 - Embraer Lineage
- Bombardier business aircraft
