

Together  
ahead. **RUAG**

**Simplify and standardize - that's our mission on spare part solutions for the Dornier 228 fleet.**

**This creates an unique opportunity for you to profit.**

[Check availability here](#)

**Our latest solutions for 5-blade propeller kits, cockpit avionics, ADS-B Out, seating, and medevac upgrades prove we're making headway in streamlining your Dornier 228 maintenance and support needs!**

While we make progress, we want to make sure you still have everything you need for continued mission success with your Dornier 228.

**Easily accessible replacement parts**

Accessing the replacement parts you need for your Dornier 228 should be just as straightforward and reliable as operations with your Dornier 228 aircraft. That's why your Dornier 228 OEM is making our stock of replacement parts directly available to the Dornier 228 Community.

Take stock of your replacement needs and contact us today.
