

Dornier 228 Customer Survey 2020

Dear Fellow Dornier 228 Operator,

We are all focused on staying productive, staying optimistic and staying motivated, this year especially. Continuing to fly our Dornier 228 on essential missions creates the energy that brings us and our local communities ahead towards a healthy and sound future.

How can we help you?
We're ready to lend a hand by checking in with you again this year. How is our service progressing? Are we helping you to provide the support your communities need?

Please consider taking a few minutes to tell us how you feel. Tell us up front, where we perform well and where we need to improve. We need and value your clear opinion and constructive feedback.

We kindly ask you to complete the customer survey by 30 October 2020.
